

Consumer's Right to Know Act

In 2009, Louisiana passed Act 354, the Consumer's Right to Know Act. This Act requires health insurers to post information on their websites about hospitals and ambulatory surgical centers that contract with the insurers. This information includes information about anesthesiologists, pathologists, radiologists, emergency medicine physicians, and neonatologists who provide services at these facilities.

American Fidelity Assurance Company does not directly contract with any Louisiana facility. However, the following facilities have provided information required to be disclosed under the Act. The following pages list the information these facilities have provided.
